29	30					

HOW DO I RECYCLE?

Recycling Center: Recycling uses only a small amount of space and takes just a few minutes a day. An area in your kitchen, garage or storage closet can serve as your home recycling center.

The Blue Bag Approach: Recycle Midwest makes recycling easy with the blue bag approach. We accept bottles, cans and plastics commingled in the same blue (or clear) bag! Therefore sorting is kept to a minimum.

Specialty items that Recycle Midwest collects for reuse only (such as styrofoam peanuts, old clothes and old flower pots) require a separate blue (or clear) bag.

Recycling Paper: Recycle Midwest accepts all grades of paper. If possible, separate - but to save time, you may commingle some grades as explained in the paper section on the reverse side of this brochure.

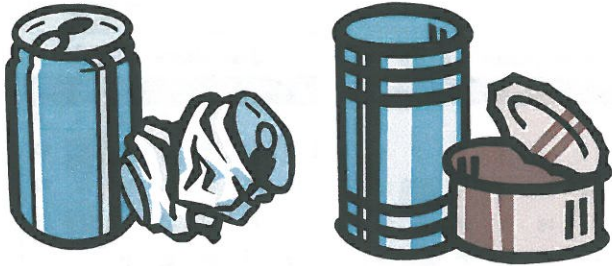

COLLECTION DAY

On collection day place your blue bags as well as your tied or bagged bundles of paper outside your garage door (or other pre-arranged pick-up location). **Please do not put any paper in the blue bag.**

Your pick-up day will be every other Friday as highlighted in the calendar. Note that the schedule will be pushed back by one day if there is a holiday on a pick-up day.

I RECYCLE WITH RECYCLE MIDWEST?

Metal Cans

Do Recycle: all **EMPTY** cans and lids, whether aluminum, bi-metal, or steel. Included are beverage cans, food cans, dog and cat food cans, etc. Pie pans and foil are also recyclable.

Preparation: **RINSE OUT** beverage cans and **WASH OUT** steel/tin food cans (remove food particles to help keep the recycling process clean!). If you can, flatten the cans. Place all cans (and foil/pie trays) in the blue bag with your glass and plastic.

Do not Recycle: paint cans,* aerosol cans, cans that are not empty, furniture, & car parts.*

*# call us to recycle these materials.

Plastics

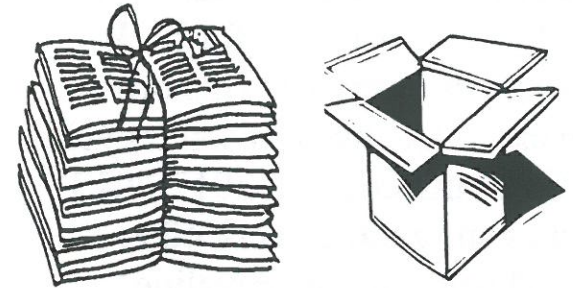

Recycle all **EMPTY** plastic containers with recycling symbol #1- #7 on the bottom. Wash out and remove caps (labels are OK). Flatten the bottles if you can. Place in the blue bag with glass and metal. (Note, we show symbols 1, 2, 3 but we accept 1 - 7!)

plastic flower pots & trays. Rinse and place in a separate blue or clear bag.
foam sofa cushions & carpet padding. Roll-up and tie with string.
styrofoam packing shells & peanuts. Remove contaminants such as paper and place in a separate blue or clear bag.

other: old clothes - place in separate plastic bag/old cell phones/printer cartridges - place together in bag.

Paper

RECYCLE MIDWEST accepts all grades of paper - please separate if you can.

1. newspaper: Bundle and tie with string or place in a brown paper bag.
2. cardboard: **FLATTEN** and stack or tie.
3. chipboard: (cereal boxes & food boxes, tissue boxes, centers of paper towel/toilet paper rolls). Flatten and tie or stuff in a brown paper shopping bag.
4. magazines & telephone books: tie with string (bags are not strong enough).
5. office paper/junk mail: tie with string or place in a separate brown bag.
6. old books: place in cardboard box.

Keep it simple? Put news in brown bag & #'s 4, 5 & 6 together.
